C.A. No. 06-117-SLR

Dear Mrs. Waters;

It was very nice meeting you. I was pleased that your clients returned the hard copies of the legal work / documents.

I will be submitting a B.W. C.I. Class 2 disciplinary in which I am appealing. However, all appeals go to Warden Ryan. I am requesting that he, in good faith and fairness, ~~not~~ recuse himself from this disciplinary, and pass it to someone not involved in the Law Suit I am currently litigating. Thank you for your time.
